

# Ezy Chock

**Dock Safety made EZY**

## Avoid Potential Liability from Truck Drivers Pulling Away Before Loading/ Unloading is Finished

Remove the danger of injury and start complying with workplace safety regulations without breaking your back or the bank balance.

The Safetech EZY Chock is easy to use and see.

### Features:

- Safety yellow aluminium powder coated handle.
- Lightweight heavy-duty aluminium extrusion.
- Rust Proof.

The engineered design provides a more effective tyre contact surface and increased contact with the road surface to reduce trailer pull out.

### Options:

4 metres of chain with hanging bracket.

Safety Sign "WHEELS MUST BE CHOCKED"
