

Tactical Series LED Light

The flexible LED light for cold storage environments
Rugged, Reliable Flexible

The Tactical LED Dock Light from Safetech is a high performing, next generation of loading dock lights.

With enhanced technology and high levels of safety additives, this dock light will outperform your expectations. New dimmable and auto ON/OFF features compliment a more compact design that will not disrupt loading dock tasks.

Features:

- Heavy-duty flexible arm
- Low profile design
- Swivel base for easy positioning
- Auto ON/OFF feature
- Single LED
- Dimmable
